

PILOTAGE FEES AND PAYMENT OF PILOT SERVICES AT THE BLACK SEA PORTS AND WITHIN TERRITORIAL WATERS OF THE REPUBLIC OF BULGARIA

IN FORCE FROM JANUARY 01ST, 2022

I. ON THE GROUNDS OF

Merchant Shipping Code, Chapter 9, Section IV, Article 238 (2) and “Ordinance 1 of the Ministry of Transport, Information Technology and Communications regarding conditions and rules for pilotage services in the Republic of Bulgaria”

II. APPLICATION

1. The pilotage services provided by the pilot stations in favor of the ship owners and other companies ordering pilotage as per the Ordinance 1 of the Ministry of Transport, Information Technology and Communications regarding conditions and rules for pilotage services in the Republic of Bulgaria.
2. The pilotage services are paid as per Table 1 for Varna Pilotage Area and as per Table 2 for Burgas Pilotage Area

III. GENERAL CONDITIONS

1. Pilotage services are made at the written/electronic request by the shipmaster, ship owner or his agent.
2. The pilot issues a PILOT NOTE /PILOT BILL / for each service (pilotage) containing ship's particulars and basic dimensions for calculating and invoicing the pilotage service.
3. The Pilot Bill is prima facie evidence confirmed by the ship master's signature and stamped with the ship's stamp. When it is impossible for the Pilot Bill to be made on board such a bill could be signed and stamped by the ship's agent.
4. Prices of the pilotage services are in euro (EUR) based on the gross tonnage (GT) of the maneuvered ship and the area where the service is carried out.
5. The expenses for the embarkation / disembarkation of the pilot or using pilot boat and other means of transport are included in the pilotage fee.
6. Outer pilotage for Burgas Pilotage Area and pilotage compulsory for ships with draft of more than 13,5 meters – the price is as per column 2 of Table 2 and there is an increase of the fee for ships with more than 10 000 GT, which is 20 EUR for each 1000 GT.
7. Shifting of ships in Burgas Pilotage Area in one area and between port areas is calculated as a separate maneuver except Section IV (2)
8. Shifting's between terminals in Varna Pilotage Area are as follows:

A /Shifting's between column № 2 and columns № 3 or № 4 and vice-versa, are considered leaving and entering a terminal and are therefore charged as separate manoeuvres, including shifting from SRY Odessos to SRY Odessos pier № 6 and shifting from PChMV to Varna West.

B / Shifting's between berths in same terminal are charged as per column № 2.

C / Shifting's between column № 3 and column № 4 or Shifting's between terminals in same column are charged 1.5 times column № 2.

D / All other specific cases – as per agreed-up practice.

9. Outer pilotage for Varna Pilotage Area - the price is as per column 4 of Table 1.

10. Pilotage fees for specific pilotage services – maneuvering of floating docks, drilling rigs and others are contracted on an individual basis.

IV. SPECIAL CONDITIONS

1. Pilotage fees are reduced by 50 percent when:

/1/ The cancellation of the maneuver is due to the ship, when the pilot waits on board the vessel more than 30 min.

/2/ The ship is warped alongside more than one ship's length without casting off all the mooring ropes.
